- We believe in work life balance and provide: 8 paid health and wellness days + \$1000 to support your well-being
- 2 paid professional development days + \$2000 for Professional Development
- Being part of an organization that is doing meaningful work in the community!

About the role:

- Develop therapeutic relationships with and provide support for justice involved community members who are impacted by the social determinants of health and require assistance to overcome barriers and access to services.

- Collaborate with existing court support workers, lawyers, bail workers, probation and parole officers, and the local detention centre to identify and coordinate services.
- Facilitate access to counselling services, primary care, addictions care, and other referrals as identified by the client.
- Oversee the implementation and ongoing management of Coordinated Care Plans (individualized care plans); this may include facilitation of care conferences with community partners
- Provide point of care in various community settings, this could include providing community, home, and shelter visits while maintaining the safety of the employee at all times
- Facilitates group programming in collaboration with internal team members and external partners
- Work collaboratively with other team members including physicians, nurse practitioners, social workers, peer support workers, and other community partners

Overall:

- Engages in evidence-based practice and ongoing learning.
- Operates within established policies and procedures.
- Maintains timely documentation standards using Telus PS Suites.
- Participates in team and organizational meetings, committees, special events, etc.
- Ability to work flexible hours as requested by leadership.
- Work in a manner that demonstrates commitment to REACH's mission, vision, and values.
- Other duties as required.

To excel in this role you will need:
