## Summary

This is a unique opportunity to be part of a new pilot program, 'The Welcoming Streets Initiative (WSI)', co-led by REACH Niagara and Positive Living Niagara in close collaboration with many community partners. This program's overall goal is to promote a sense of safety and community well-being for those who are street involved.

REACH Niagara is a dynamic nonprofit, charitable organization that provides health care services to the unhoused community, survivors of intimate partner violence, those with justice involvement, and those who experience barriers to accessing healthcare services. We are committed to removing barriers to care by providing accessible and equitable care.

Positive Living Niagara is a non-profit, charitable organization that supports people living with or affected by HIV. With the goal of reducing transmission of HIV, Hepatitis C and other blood-borne pathogens, the StreetWorks program uses a harm reduction approach to care and supports people who use substances through the Needle Syringe Program, peer support, case management, supervised consumption, outreach, and training and distribution of naloxone.

Dual reporting to the Team Lead of REACH Niagara and Positive Living Niagara, the WSI Outreach Worker will provide outreach services, in collaboration with persons with living experience, to various St. Catharines neighbourhoods to engage at-risk and vulnerable community members. This person has a natural ability to form trusting relationships with community members and business while being well versed with local resources to build critical connection to services.
